To the Vancouver Symphony Orchestra & the VSO School of Music:

I am grateful for this opportunity to send my congratulations to the VSO and the VSO School of Music on an enlightened and inspiring Day of Music which showcases so many talented musicians in our community.

The Vancouver Symphony Orchestra has been a leader of music and culture in our city since 1919 and with the VSO School of Music, this tradition continues.

Music is such an important part of community. It brings people together. It binds. It connects. It shares. It inspires.

Some of my best memories from my high school days involve being in the school choir, as well as a jazz choir. I also formed a small vocal group with friends and performed at local talent shows. Music continues to be a big part of my life, and I enjoy everything from exploring new artists and genres, to taking in live performances, small and large, across the city.

I, along with the City of Vancouver, am proud to be a supporter for Day of Music and send my best wishes for a successful and impactful day!
