Re: 5th Annual Day of Music & 3rd Annual The Path Forward

Dear Vancouver Symphony Orchestra (VSO):

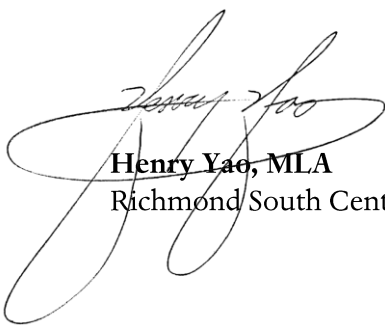

As the MLA for Richmond South Centre, I, Henry Yao, want to express my sincere gratitude to the VSO for hosting the 5th annual Day of Music and the 3rd annual The Path Forward!

The Day of Music plays an exceptionally important role in providing accessible and enriching music for all, while The Path Forward establishes an important reminder on the necessity of truth and reconciliation in our province.

As music enriches, empowers, heals, and connects people, history, culture, and hope together, we are reminded again of the undeniable truth that our civility in this world is built upon our society's devotion to music, arts, and culture.

Thank you again to the Vancouver Symphony Orchestra for all the incredible work it does, and I hope everyone has a phenomenal time enjoying the music!

Sincerely,

Henry Yao, MLA
